AUTHORIZATION FOR RECONNECTION OF ELECTRICAL SERVICE

I hereby request that Lake Region Electric Cooperative (LREC) reconnect the electrical service to the premises located at:

Service Address: _____ County: _____

Service Map Location No: _____

I certify that since the last disconnection of the electrical service on _____, 20____ that no additional electrical work or alteration of the existing electrical system has taken place which would make the premises subject to inspection by a state electrical inspector.

I also certify that the condition of the electrical system at the premises is such that the electrical system is safe for LREC to reconnect and re-energize the electrical service to the premises. I agree to hold LREC harmless from any adverse condition that may arise from the reconnection of the electrical service to the premises. I am the responsible party who is authorized to make this request for reconnection.
